

## **ABOUT US!**

Games and bets exist, excite and amuse people in all parts of the planet for millennium, that's right, millennium!

Creativity, marketing and easy access have always been important for the distribution and reach of these activities.

Credibility is the keyword for the longevity of this business.

Today we are flooded with the most diverse types of information 24/07, through the most lively digital platforms that cover the whole world, spreading news, notices, messages, advertisements, ...

This new digital dynamic has allowed this business to take on unthinkable dimensions!

We all have access to the most diverse types of games and bets directly in our hands when we want, the way we want.

However, despite all this technological, social and business revolution, no one had come up with a consistent, bold, aggressive and long-lasting structure for an Affiliate Program.

To further expand the reach and results, we have united the largest, most complete and secure gaming and sports betting platform on the planet.

The unimaginable has come true: The Betshowplay, Betconstruct and Multygame Trilogy!!!

3 Giants created a Giant Business!
